# Hasan ISUFOV

Frontend Developer at Web Developer  
Sheffield, England, United Kingdom

## Summary

Since 2022, I've been providing web design, development, and optimization services for various small companies. With a friendly, motivated, and organized approach, I bring dynamic and innovative solutions to each project. My strong work ethic, analytical and problem-solving skills, and commitment to continuous learning ensure high-quality results for all my clients.

---

## Experience

Web Developer  
Frontend Developer  
- June 2024

### MARS DESIGN UK

1 year 11 months

Frontend Web Developer  
June 2023 - May 2024 (1 year)  
Sheffield, England, United Kingdom

Web Developer  
July 2022 - September 2023 (1 year 3 months)  
Sheffield, England, United Kingdom

During my tenure at Mars Dizayn, I worked on various projects involving web design, SEO efforts, web development, and product uploads. I ensured that websites were user-friendly and visually appealing while contributing to high search engine rankings through effective SEO strategies. Additionally, I provided innovative solutions during the web development process, assisting in the timely and successful completion of projects.
